

www.florigo.co.uk - new year, new range, new website!

Since the launch of www.florigo.co.uk, the site has become number one in the frying industry - delivering detailed Frying Range designs online all those determined to get the best out of their business. Not only is the website a working tool but also a wealth of information for all existing owners and those wishing to finance their new Florigo range too.

There are Parts Diagrams, Service Details and an exciting Gallery of recent installations from all over the country. If that's not enough, read all the latest news about Exhibitions and what's happening in the industry.

Try designing your new Frying Solution online now - it's what you've come to expect from a company like Florigo!
